## The Ultimate Pairing of Cuisine and Culture

A treasure trove of delicious eats, **San Francisco and wine country** is a foodie's dream. Surrounded by some of the world's most photographed vistas, you'll enjoy an unforgettable culinary vacation in San Francisco and California's picturesque wine country. Revel in San Francisco's most iconic destinations and enjoy tastings and meals at several locations featured on *Diners, Drive-ins and Dives*, *Best Thing I Ever Ate* and other Food Network shows. Then continue your tour into Napa and wine country where you'll visit Food Network's partner winery, Wente Vineyards, for a private behind-the-scenes tour, garden-fresh lunch and a wine tasting.

In **Italy**, a country famous for its cuisine, get exclusive access to several opportunities that only Food Network can create. Start in Rome, Italy's capital, and visit historic attractions including the Forum, St. Peter's Basilica and Piazza Navona. You'll stop by a gelateria in Rome, sample wines and olive oils in Tuscany and stroll through the same fish market visited by Giada De Laurentiis in Venice.

Experience **France** to the fullest when history, culture and food all come together for a trip of

a lifetime. See the essential sights such as the Eiffel Tower, Notre Dame and the Louvre. Stop by bakeries visited by Giada De Laurentiis and Ina Garten in Paris and experience the authentic markets around France, hand-picked by culinary professions in Food Network Kitchens. In the South of France, participate in a hands-on cooking class in Nice along with a wine tasting at a renowned vineyard.
